

Rachel J. Frazer

Front-End Developer / Graphic Designer

I am a Graphic Designer with 2+ years on-the-job experience as a Front-End Developer. I am passionate about digital design and furthering my skills in design and development.

Experience

Front-End Developer / Graphic Designer @ Searchlight Solutions

01/2016 – 2/2018

Designed graphics, wireframes, display banners, and marketing emails for e-commerce businesses. Developed and optimized fully responsive SEO websites while assisting in cross browser testing. Handled in-house design needs and content updates on client websites.

Graphic Design Intern @ Tehama Group Communication

01/2015 – 05/2015

Developed branding and designed print collateral, wireframes, and websites for local clients while working with a creative team.

Advertising Design Manager @ The Orion

08/2013 – 12/2013

Created ads, collected ad forms from clients, placed ads within a template for print, and collaborated with the Orion Business Department. Managed an intern and maintained tight deadlines for a weekly print issue.

Graphic Design Intern @ Migrant Clinician Network (MCN)

05/2013 – 08/2013

Created splash pages for the website and a timeline that marked the company's 25 years. Designed health forms, and instructional documents while worked closely with a mentor. Participated in meetings and collaborating with a remote teams throughout the country.
